 Design Change Package Change
 Datasheet Change Others, please specify: **End of Life**

DESCRIPTION OF CHANGE:

The XMOS XK-VF3510-L71 and XK-VF3510-L71-AVS development kits are being retired as our focus has moved to promoting newer, upgraded products. These two kits are now end of life and will be removed from sale at the end of June 2024.

The XVF3510 processor device has NOT been discontinued and remains available for customers who are using this device in existing designs.

For new design starts XMOS recommends the XVF3610 processor, which is a newer, upgraded version of the XVF3510.
